Education

I graduate from Nicolet high school in 1969. From 1984 to January 2012 i work for Milwaukee Public School, which cover 27 years. During that I took class in Heating and Air conditioning,electrical ,boiler and have the following certification for Total Quality Management, Low pressure boiler license Pneumatic Thermostat training, was certified as pool operator I was also certified in structural pest control until i retried. I also to a 16 hour class on the proper remove of Asbestos. I also have a certified on how to do small maintenance . The final certified that i have is a mid west fire protection.

Organizations (Local, State & National)

When i was at Washington high school as a boiler attendant, M.p.s was starting a site base management , where each school was responsible for there own budget and own curriculum. Each department had pick a person, so i was pick.I was also a church elder for three years. I also was the board of property for the church.During the time i was chairman, i over saw the installing of two new boilers.

Why have you decided to run for your Board of Education?

I have always wanted to get into politics.

What qualifications and/or experiences do you have that qualify you for this office?

I have worked for M.P.S for 27 years. I work my self up from a Building helper, through a Boiler Attendant, School Engineer 1 ,through School Engineer 3 1/2, which 28,000 sq.ft to 350,000 sq.ft. During that time i manage staff from 1 to 15 depending in what school i was in. i work directly with teachers and administration , during the course of the day. I have a working knowledge of the how a school is run during the day .also a working of how a school is run at night.

What do you think are the most pressing issues for your school district?

How can you help solve the issue or issues?

The most pressing issues is to keep the school properly funding through tax dollars . The second most pressing issues is to qualified teacher and maintenance personal. To solve these issues i have to be on the board.

Do you support the use of "exceed the levy" referenda by school districts to maintain funding levels the School Board determines necessary? Why or why not?

The referendum is needed because of Act 10 and the budget cut that were in acted by the Gov. and the legislators to helper fund the charter and voucher and religious school, so we are tax dollars are paid for two school system.

Other

The the qualification that i stated above would make my a good school board candidate.
